

SAFE PLACE FOR NEWBORNS OF WASHINGTON

IMPORTANT MESSAGE FROM YOUR LEGISLATORS:

An appropriate facility shall have a sign, visible to the public that contains a clearly discernible message that a person may transfer a newborn to the facility pursuant to RCW 13.34.360. The information contained on the sign shall be restricted to that set forth in subsection (4)(a) of this section and any contact data regarding how to obtain further information on the provisions of RCW 13.34.360. A facility shall have a sign posted not later than July 1, 2011 or the time it becomes an appropriate facility, whichever is later. A facility is authorized to accept non-public funds and donations to acquire and place its sign.

Now available Safe Place of Washington signs in English and Spanish

The state of Washington has passed an amendment to RCW 13.34.360 requiring all Washington "Safe Places" to display a uniform sign to visually help identify their location as a Safe Place for Newborns. Per Washington State law, "Safe Places" are hospital emergency rooms, fully staffed fire stations and federally designated staffed rural health clinics.

Safe Place for Newborns of Washington State has made arrangements to produce the SAFE PLACE signs for use throughout Washington. All Washington "Safe Places" are requested to display a uniform sign. Signs are \$25 each. (Includes shipping and handling)

Signs are blue on a white background, 12x18, of .080 metal with a life span of 5-7 years.

With the goal of reducing the number of unsafe infant abandonment's, we are asking you to comply with this new law by July 2011 and display the sign on your facility. Together we can make a difference.

"BECAUSE EVEN ONE IS TOO MANY"

Name of City: _____

Facility where the sign will be displayed: _____

Shipping address: _____

Contact person/phone number/email: _____

(no signs will be shipped without a contact person, phone number and email address)
